

**BRANKO BOGNAR**

Member of the EJOLTS (Educational Journal of Living Theories) Community - LINK

email - Branko Bognar <branko.bognar@gmail.com>

I started my professional career  
**as a teacher school pedagogue**

Then I was

I work at  
**the Faculty of Education**

In my professional practice I deal with  
**creativity...**

**action research.**

**teachers' professional development**

**We established in Croatia**  
network of learning communities

I participated in establishing  
**Educational Journal of Living Theories**

**I initiated establishing**

**Pestalozzi action research Santas**

Will you meet me someday past the sunset..
