Being Social Justice:
Radical Accountability for our Perceptions

Our Methodology: Action Research Living Theory

Study Group

- Eight AUNE ED Dept. students;
- Enrolled in or recent graduates of Teacher Certification Program;
- Meeting weekly for eight sessions as

How can we improve how we see students?

- I experience a problem when some of my educational values are negated in my practice.
- I imagine a solution to my problem.
- I act in the direction of my solution.
- I evaluate the outcomes of my actions.
- I modify my problems, ideas and actions in the light of my evaluations.
