

CULTURE HEALTH & WELLBEING

INTERNATIONAL
CONFERENCE
JUNE 24TH - 26TH 2013
BRISTOL, UK

“I hold strongly that the arts can enhance wellbeing and health and that more needs to be done through public policy to ensure that as many people as possible have the opportunity to benefit from the life-enhancing and therapeutic experience of the arts. We need to learn from best practice in this field across the world.” **Lord Howarth**

The conference will inform international perspectives on:

- Healthy and Creative Ageing
- Global Health Inequalities and Culture
- Culture and the Social Determinants of Wellbeing

With a particular focus on:

Research

- The latest research and new methodologies
- The dissemination of international research and evaluation

Policy

- Local, regional, national, and international policy development
- Developing national and international collaborations and networks

Practice

- Museums and Health
- Arts in healthcare settings
- Arts and health promotion/prevention

Experience high quality performances and participatory arts and health practice and enjoy the atmosphere and vibe of Bristol's harbourside area and historic city centre

Conference Chair:
