My current practice consists in supervising action research projects for teachers undertaking a Post-Graduate in Mathematics Teaching. I am also a tutor on Mentoring and Coaching for a Post-Graduate in school leadership.

MY INTEREST IN LIVING THEORY ACTION RESEARCH DEVELOPED FROM MY WORK AS A PRIMARY SCHOOL TEACHER RESEARCHING MY OWN PRACTICE, IN THE PROCESS OF WHICH I BEGAN TO ARTICULATE MY VALUES OF SOCIAL JUSTICE, INCLUSION AND EQUALITY. THESE VALUES CONTINUE TO GIVE MEANING AND PURPOSE TO MY PERSONAL AND PROFESSIONAL LIFE AND HELP TO SUSTAIN MY COMMITMENT TO LIFELONG LEARNING AND CRITICAL ENQUIRY.
