

Alfred Kitawi-Living Poster

I value the inner potential of each person and the infinite capabilities inherent in each individual. We should work together for a better future irrespective of our differences.

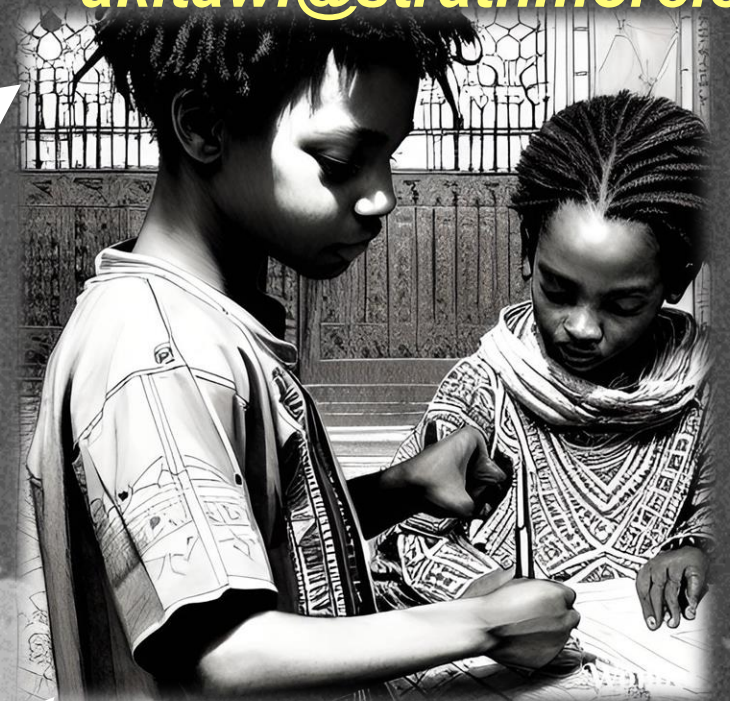

Alfred Kitawi
akitawi@strathmore.edu

Artwork generated by Wonder AI

Work on Catalyzing African Entrepreneurial Ecosystems

Firm believer in the potential of ICT for development

Passion for teaching

Believe in a bright future for Africa

I Work for an Inclusive mentoring of African youth

Working with communities and research embedded in communities

I also believe the more one has been gifted inner capacities and capabilities the person should give. One can only discover oneself through the gift of self to the other
