About Me

I am a student at State University of Surabaya. Teaching is my hobby. So to represent my hobby elementary school teacher education is the best decision. As a undergraduate student, i need to learn everything to make a great learning activity for student.

My teaching activity

WHY i want to be a teacher?

Teacher help to advance the country
I found the art of teaching
Felling the impact of Learning by Doing

STUDENT FEELING SCARED TO
MATHEMATICAL STUDY, BUT IF WE
CAN PUT THE MATHEMATICAL INTO
OUR LIVE IT CAN MAKE A CHANGE
FOR STUDENT IN INDONESIA
