

DR CHRISTINE DU TOIT

*Senior lecturer
North-West University
School for Psycho-Social
Education*

PROFILE

I studied languages and taught for several years before I did my honors. I completed my MEd in 2006 focusing on the acquisition of an additional language. My PhD was the proposal of a framework to use when teaching an additional language. Currently I am focusing on home and additional language teaching in the foundation phase.

EDUCATION

NORTH-WEST UNIVERSITY

School of Psycho-social Education

RESEARCH INTERESTS

- Language acquisition
- Language teaching and learning
- Children's literature
- Multilingual education
- Multilingual pedagogies

MY LIVING THEORY

As a newby in Living Theory, I will look at how I can improve my classes in the teaching of additional language to my students.
