

Common Cause Foundation

Elsie Roderiques

Tom Crompton

Ruth Taylor

Vision

We envision a world where the interconnectedness of all living beings is honoured in the cultures and systems we co-create and live by.

Mission

We exist to help build the foundations needed to shift global mainstream culture away from competition, inequality and oppression, and towards regeneration, equity and unity, by elevating and celebrating the intrinsic values that underpin our care for one another and our living planet

Key publications

- [Common Cause: The Case for Working with Our Cultural Values](#), 2010
- [No Cause is an Island: How People are Influenced by Values Regardless of the Cause](#), 2014
- [Perceptions Matter: The Common Cause UK Values Survey](#), 2016

Research interest/areas

- How engaging human values can build public concern for social and environmental change
- How we perceive the values of others'
- Values and national identity
- How arts and culture can champion intrinsic values
- Deep narratives
