Liyema

Mpompi

liyema.mpompi@mandela.ac.za

My Name is Liyema Mpompi I recently graduated with an Economics degree earlier this year from Nelson Mandela University. I am a new intern at the Hubs of Convergence currently working on Edu ecosystem Database -(About few the institutions of education in the metro). On my academic life I'm working on a long paper about the deficiencies of GDP as measure of economic development.
