A living poster

A journey of reciprocal professional learning: values-based supervision

by Liz Wolvaardt and Pieter du Toit

getting started

watch Pieter's values as practitioner and supervisor in action:

<https://youtu.be/WUFVjZ7YDak>

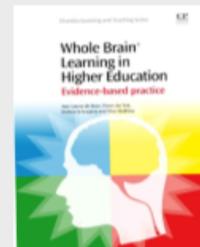

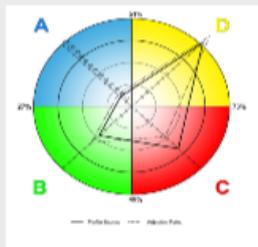

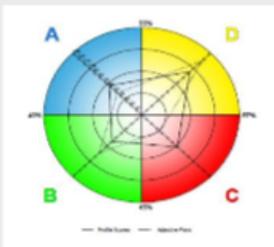

meeting of the minds

the conversation that influenced our supervision relationship and facilitation of learning practice

the first public conversation

watch the creative oral defence of protocol of Liz's living theory:

<https://youtu.be/J1X-PJE2VXc>

liz's profile

our thinking style profiles point to our preference for creative and holistic thinking (yellow quadrant) and interpersonal thinking (red quadrant)- the basis of the supervisory relationship

pieter's profile

Whole brain thinking

you can read more on this learning theory via this link:<http://www.hbdi.com/WholeBrainProductsAndServices/programs/thehbdi.php>

our relational & ontological values

trust and commitment to a meaningful supervisory relationship that challenges the notion of traditional supervision and emphasises our energy giving and life affirming potential

quarterly reports

a link to the innovative quarterly reports that represent Liz's claim to creative scholarship: <http://youtu.be/1ou81SS> TOTA

journey's end/beginning

you can read more on Liz's living theory of practice in her doctoral thesis here: <http://repository.up.ac.za/handle/2263/39798>
