

From special needs teacher to headteacher's office, then Family Counselling to Integrative Psychotherapist, Supervisor and author. Yoga teacher to Breath~Body~Mind teacher. My passion all the way through and now is for children and young people to access the best education there is including the greatest encouragement to pursue their dreams and stay healthy in every way... Margaret Wadsley 2018

University of Cumbria
Living Theory group

My MA in Qualitative Research

Speaking From a Place Without Words

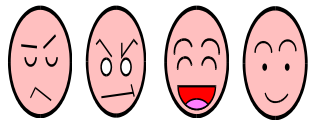

A guide since 1982...

B~B~M

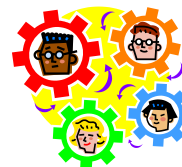

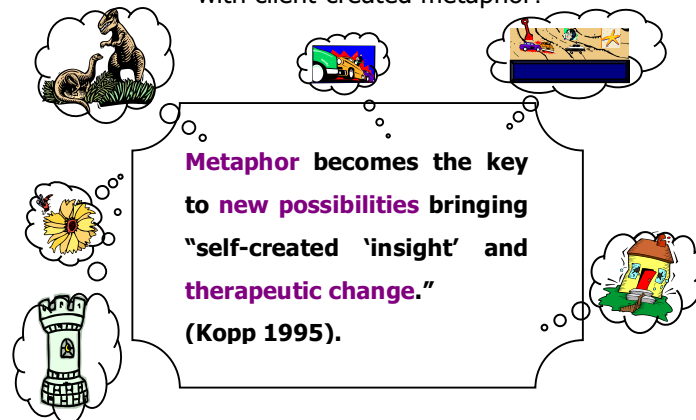

My values: equality, transparency,
honesty, openness, non-judgemental,
efficacy

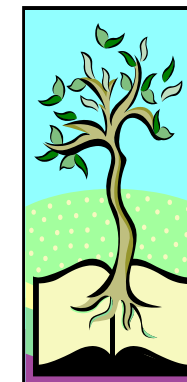

Writing stories about Ollie & friends→

How do practitioners respond to and work
with client-created metaphor?

Supervisees who support
children & young people

My PhD research:" Explaining the Influence
of Adlerian Values and Beliefs in My
Supervisory Relationships, Evidenced by
Living Theory Research"
