CREATIVE. DISTINCTIVE. IMPACTFUL.

Reflective practice (RP) is critical and deliberate inquiry into professional practice in order to gain a deeper understanding of oneself, others, and the meaning that is shared among individuals. This can happen during practice and after the fact, and can either be done alone or with others (Forrester, 2010; Peters, 1991; Schön, 1983).

Student feedback & reflection

QUESTION	Yes	No	What can help me: 
I 100% want to do this course			
I find the subject difficult			
The English language is a problem			
I stay focused in class			
I go the extra mile after lessons and do revision			
I write down notes in class			
I don't have time to study			
I leave studying for the last minute			
I don't know how to study			
Other thoughts 			What I (the student) need to work on/ improve
