How do I improve my practice

by P. Monyeki

There is nothing impossible to they who will try

Improving my practice

- Lecturer attributes
- Delivery
- Student participation

Lecturer attributes

- Communicate the subject area
- Demonstrate ways of engaging with the subject.
- Explain purpose of each section
- Link the learning to assessment
- Highlight key questions or ideas

DUT

Delivery

- Vary the style of delivery
- Show approachability
- Acknowledge and accommodate student diversity
- Show enthusiasm

Student participation

- Use multiple strategies for active involvement by student participation
- **Invite individual reflection on class learning**
- Set up group or individual learning opportunities within the class
- **Encourage peer learning opportunity**
- Respond to student answers and connect responses to class learning

Closing

- Consolidate key ideas
indicate links with the next
session and assessment
- Leave the students with a
challenging idea or question

DUT

**Thank
You!!!**
