

Moving on as an 'alongside' Living Theory researcher

After 43 years health visiting
(families in Community + at home - UK NHS)

the Bath Conversation Cafe
helped me see differences between
retirement and 'moving on'.

Makeamove (video top left)
helped me recognise new domains
for using alongsideness (video top right)
in researching my practice after
paid employment ...

Makeamove for the mind research

emotion
+ body
awareness

mothers
with
mothers

mothers
with
babies

purposeful relationships in research to develop,
evaluate + explain practice

Bath Conversation Cafe

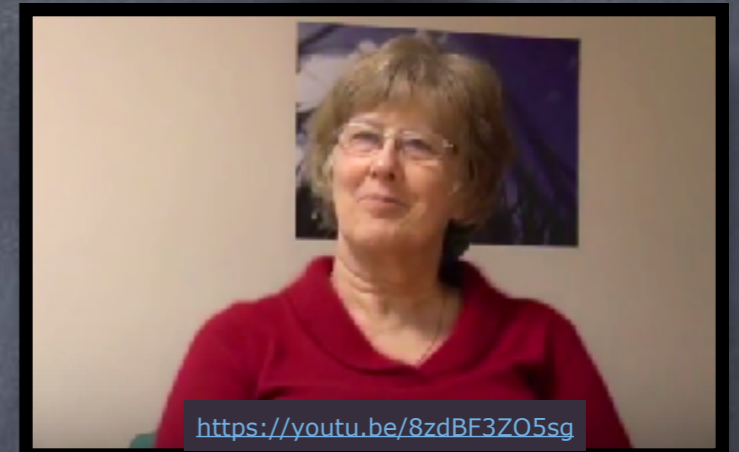

...family, friends and
the things I always
said I would do.
