Living Theory research SKYPE support group

How is working together to research our individual and shared understandings and explanations of self-awareness and relationships, contribute to the clients we work with, in developing their well-being and knowledge of self.

New beginnings
New transitions
Making a shift into a different way of living
Closer to nature
freedom to play
Challenges
Believing in the simple
Space to breathe
A chance to move forward
Being stronger
Independent
Self-reliant
Body and mind Love
Ashford Mills
