Developing my values

Values as standards of judgement

Growing up in Care
Merton – study single successes
Adler – ‘It is neither heredity nor environment ... These experiences — are the bricks that he uses in his own “Creative” way to build up his attitude toward life.’
Brene Brown - We are the authors of our lives.

Learning from the past
to improve the future

Leading in the Charity Sector
My educational influence on myself, others and organisations I work with
My Living Theory of Caring as Mutuality
Charity Sector – NCVO Charitable Ethical Principles: Beneficiary first; Integrity; Openness; Right to be safe
