

**My Living Poster for ARNA 2017
1st Global Assembly on Knowledge Democracy:
Towards an ecology of knowledges**

'... let us unite, not in spite of our differences, but through them. For differences can never be wiped away, and life would be so much the poorer without them. Let all human races keep their own personalities, and yet come together, not in a uniformity that is dead, but in a unity that is living.'

'You may say I'm a dreamer/But I'm not the only one/I hope someday you'll join us/ And the world will be as one'

**I create my living-theory as I learn about and accept the marginalised, vulnerable, excluded, and also the 'favoured ones'.
I acknowledge the existence of multiple epistemologies.**
